## KENTUCKY REPUBLICAN PLATFORM.

Adopted at Louisville, Aug. 10th, 1897.  
Resolved, by the Republican party in Convention assembled—  
First—That we reaffirm the principles of the Republican party as set forth in the platform adopted by it at St. Louis in 1896.  
Second—That we endorse the Republican National and State Administrations, and especially commend the action of our present state officials in their efforts to suppress mob violence and to preserve the financial credit of the state.  
Third—We commend the action of the representatives of the Republican party in the passage of a Tariff Bill which will raise revenue sufficient to support the Government, prevent the issue of interest-bearing bonds, protect American labor and maintain the National credit.  
Fourth—We are opposed to a system of Civil Service that builds up an official class with practically a life tenure in almost all branches of the public service, and we demand that the Civil Service Law be modified so as to limit the term of service to four years, with the privilege of reappointment or promotion, subject to such restrictions as will secure competent officials and give to every section of the country its proper proportion of them.  
Fifth—We heartily sympathize with the struggling people of Cuba in their efforts to secure liberty and independence.  
Sixth—That we recommend to the people the adoption of the Constitutional amendment submitted by the last Legislature, allowing all cities and towns the privilege of regulating under legislative supervision the method of levying the taxes they impose on themselves for city and town expenses.  
Seventh—We favor the passage of a law that will protect the laborers of Kentucky from the competition of convict labor, and, if necessary to accomplish said result, an amendment to the Constitution permitting such legislation.

"The best way to get rid of a bad law is to enforce it."—General Grant.  
Therefore THE LEDGER favors the rigid enforcement of the Civil Service Law.

THERE is a plethora of gold in the banks and sub-treasury at New York. This is quite different from what it was under the Cleveland Administration.

SENATOR DEBOE was at the White House to-day looking after some Kentucky appointments, among them that of C. M. BARNETT for Surveyor of the Port at Louisville. Let's see; didn't a certain Sena-tor enter into a "deal" for that office? Wasn't the "deal" reduced to writing? Don't all speak at once.

## UNION PACIFIC.

### The Railroad Will Be Sold by Order of Court November 1.

### A Great Throng of Office Seekers Hang Around the White House.

Warner M. Bateman, a Prominent Attorney of Cincinnati, Dies Suddenly in the Riggs House—The President Makes Several Appointments—Other News.

WASHINGTON, Oct. 5.—Attorney General McKenna had a long conference Monday morning with the president in regard to the foreclosure sale of the Union Pacific railroad, and after it was over Judge McKenna stated that Tuesday he would have another conference with Judge Hooley, representing the directors of the Union Pacific railroad, and that several matters still pending will be decided. It can be stated positively that the government will not appeal the case, as first proposed, but that the railroad will be sold under the order of the court on November 1 and the highest bidder will get the property. As yet there is but one bid, that of the New York syndicate, and in all likelihood these parties will become the purchasers. The conference between Judge Hooley and the attorney general on Saturday related to the various details of the sale, but there are a number of matters left undecided, among them the question of the Omaha bridge, as to whether the government's lien covers that or not. This, with several other similar details, will be settled Tuesday.

The week opened with a big crowd at the white house, for it seems that the office seekers, having given the president several days of rest, came to the conclusion that they might as well make an attack on the executive mansion now as ever. As a consequence, the corridors outside the president's offices were crowded all morning with anxious visitors, waiting their chance to see the president. Few of them, however, secured this, for the president was busy with the members of the cabinet and congressmen nearly all morning.

Senator Foraker was one of the president's early visitors, and he had a quiet talk with President McKinley. The senator leaves for Ohio Monday night, going direct to Toledo, where he will make a speech Tuesday. Among the appointments settled upon by the president Monday was that of M. W. Gibbs, of Little Rock, Ark., who is to be appointed consul to Tamatave, Madagascar. Mr. Gibbs is a prominent colored lawyer of Little Rock, and was one of the original McKinley workers in the south. He is one of the first colored men who will be appointed to the consular service. Among the callers at the state department Monday morning was Mr. Rufus Fleming, of Cincinnati, who has been appointed consul to Leith (Edinburgh). Mr. Fleming spent some time with Assistant Secretary Day receiving his instructions. He has not decided when he will leave for his post.

WASHINGTON, Oct. 5.—Mr. Warner M. Bateman, one of the best known lawyers of Cincinnati, died suddenly at the Riggs house in this city Monday. He arrived here Sunday apparently in good health with Mr. Mihalovitch, of the Cincinnati distilling firm of Mihalovitch, Fletcher & Co., their mission being to see government officials regarding a claim for several hundred thousand dollars, growing out of the distilling business of the firm named. Monday morning Mr. Bateman was taken suddenly ill and died within an hour.

The disease from which Mr. Bateman died is said to have been angina pectoris, a nervous affection of the chest. His remains probably will be sent to Cincinnati Monday night. Mr. Bateman was formerly United States district attorney for Southern Ohio.

The president Monday made the following appointments: Wm. R. Finch, of Wisconsin, envoy extraordinary and minister plenipotentiary of the United States to Paraguay and Uruguay. To be consuls of the United States, James S. Dodge, of Indiana, at Nagasaki, Japan; George W. Dickinson, of New York, at Belleville, Ont.; Alvin Smith, of Ohio, at Trinidad, West Indies, and Percy McElrath, of New York, at Turin, Italy. Joseph Perrault, of Boise, Ida., to be surveyor general of Idaho.

#### The Smith-Dixon Fight.

SAN FRANCISCO, Oct. 5.—Solly Smith, of Los Angeles, was given the decision over George Dixon, of Boston, in a 20-round fight Monday night. The match was virtually for the championship of the featherweight class, and Smith is now at the top. The fight was not a remarkably fast one, the men taking no chances except in two or three rounds, when Dixon attempted to force matters. Smith, however, who has greatly improved since he met Dixon, had all the better of the fighting, using his right with great effect both on the body and head. Smith was cool throughout the fight and came out without a mark of any kind. His blocking and ducking of Dixon's leads were the features of the fight and kept him out of harm's way.

#### Deadly Prairie Fires.

MILLER, S. D., Oct. 5.—Persons just in from 30 miles north state that as a result of a big prairie fire one man has died and three others may die. Seven or eight were badly burned, one family of five named Preston all being in a dangerous condition. Hundreds of tons of hay and grain were destroyed. The fire was caused by men making a fire break.

#### The Constitutional Amendments.

CAMDEN, N. J., Oct. 5.—The return board of judges made their returns of the constitutional amendment election Monday afternoon. The official figures show a majority of 103 for anti-gambling amendments; 350 for the regulation of appointments and 905 against woman suffrage.
